

GRAPHITE FROM UKRAINE

THE IMPORTANCE OF GRAPHITE IN THE TRANSITION TO A GREEN ECONOMY

WEBINAR TUE 23RD MAY 12PM CEST

The **German Australian Business Council** is pleased to invite **members and friends** to a **webinar** about graphite and its importance as a critical raw material.

How does an Australian resource company run its operations in Ukraine? Volt Resources is supported by Business Council member company DGWA, and will talk about the importance of graphite in EV batteries and our transition to a green economy. They will discuss managing personnel and logistics challenges in running their large graphite operation in Ukraine, as well as future plans and their European growth strategy.

We are pleased to welcome:

PRASHANT CHINTAWAR

CEO of Volt Resources

TREVOR MATTHEWS

Executive Director of Volt Resources

ROMAN SARAMAGA

CEO of Zavalievsky Graphite, Ukraine

MATTHEW REYNOLDS

Head of Business Development DGWA

This webinar will be the first organised by the new GABC Raw Materials Focus Group. Please get in touch if you would like more information about the German Australian Business Council or our activities.
